

ART BAY

MATERIALS AND FINISHES

Main Lobby

- Large format concrete effect porcelain tile flooring and skirting
- Textured wall paper and wood clad wall panels
- Light filters through the floor to ceiling windows forging a connection between the world outside and the sanctuary within
- Hospitality inspired Lobby Lounge with varied seating configurations to lounge, gather, and work. Contemporary furniture and textural upholstery in a cool muted base palette with warm tones of timber and blue accents
- A custom-designed shared co-working desk hub, accommodating 8-6 individuals, includes a integrated tree, a built-in table lamp, and conveniently placed plug points, ensuring instant connectivity for a seamless working experience
- Elevated Library behind the co-working desk with bookcases filled with books, art and inspiring décor relating to the cultural surroundings
- Full-height marble is installed behind the reception counter, complemented by metal accent trims featuring integrated lighting to evenly divide the panels, creating a balanced design
- Soft landscape using planters is used to highlight the custom reception desk
- Original locally crafted art pieces throughout the property commissioned by the Ellington Art Foundation
- Ellington Hospitality scent throughout the public areas
- FM office directly off of reception (With pantry, workspace and toilet)
- A dedicated service lift to cater to ease of move-in/move-out with delivery parking bay and moving room
- Entry walk-off mats and digital security. Concierge and security desk

The Gallery

- A ground floor corridor leading to the amenities and apartments showcases a curated collection of artworks, creating a museum-like ambiance within the space
- Original locally crafted art pieces throughout the property commissioned by the Ellington Art Foundation

The Theater

- The theater area is designed with integrated soft seating and book display units, drawing inspiration from theater arrangements. This setup provides an ideal space for hosting presentations, events, talks, and seminars
- Behind the seating area, there is a built-in library housing a collection of books and accessories, serving as a reminder of the rich cultural heritage of the surrounding area
- To infuse the lounge with a cozy ambiance, a substantial indoor tree takes center of the space, radiating a sense of warmth throughout the area
- A concealed projector screen in the ceiling of the theatre transforms the space into a cinema when needed
- The space comes alive with the addition of digital interactive wall art, introducing captivating movements and dynamic elements
- The Theater overlooks and provides a direct walk-out to the overlooking pool/landscape
- Billiards table is used as another element of entertainment to the lounge
- Contemporary furniture and textural upholstery in a neutral base palette with warm tones of timber, textured wallpaper and burnt orange accents
- Unique ceiling feature using staggered levels is used to reflect the design of space
- Could function as a booked space with a lounge equipped with entertainment, built in kitchenette for parties and catering
- Male, female and accessible WC facilities on same floor
- Wood look floor tiles and skirting
